

AGENDA ITEM 7B.

REPORT OF REDETERMINATION REGARDING CONFIDENTIALITY & DESTRUCTION OF VERBATIM RECORD

Submitted for: Action

Summary: While the Illinois Open Meetings Act, [5 ILCS 120] (the “**Open Meetings Act**”) generally requires that public bodies conduct their business at meetings that are open to the public, the Open Meetings Act also provides various exceptions for matters to be discussed in a closed session. In compliance with the Open Meetings Act, the Audit Committee has, from time to time, held closed meetings to discuss certain confidential matters that are exempt from public disclosure under the Open Meetings Act.

Under the Open Meetings Act, the Audit Committee is required to periodically meet to review minutes of closed meetings to determine (1) whether the need for confidentiality still exists as to all or a part of the closed meeting minutes or (2) whether the minutes or portions thereof no longer require confidential treatment and are available for public inspection. (5 ILCS 120/ 2.06(d))

The General Counsel has made the determination that the minutes of the following closed meetings are confidential and should remain closed: January 27, 2012, March 26, 2012, June 25, 2012, June 21, 2013 and January 27, 2015 meetings. The Audit Committee has been provided, attached hereto as Exhibit A, the rationale for maintaining their confidentiality.

Additionally, the Open Meetings Act states in relevant part as follows:

“(a) all public bodies shall keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording...

(c) the verbatim record may be destroyed without notification to or the approval of a records commission or the State Archivist under the Local Records Act or the State Records Act no less than 18 months after the completion of the meeting recorded but only after: (1) the public body approves the destruction of a particular recording; and (2) the public body approves minutes of the closed meeting that meet the written minutes requirements of the Open Meetings Act.” (5 ILCS 120/2.06)

The December 3, 2020, April 15, 2021, June 17, 2021, and September 17, 2021, closed meeting minutes which comply with the Open Meetings Act, have been previously approved by the Audit Committee and at least 18 months has transpired since the recording of that meeting. Those minutes were opened to the public by the Audit Committee when the minutes were approved.

The minutes of the closed meetings and the rationale for maintaining their confidentiality are attached hereto as Exhibit A.

Based on the foregoing legal authority and General Counsel determination, ISAC staff asks that the committee approve the following resolutions in open session:

Action requested: That the Committee approve the following resolutions:

“BE IT RESOLVED that the Committee has determined the need for confidentiality still exists for the minutes of its closed sessions for: January 27, 2012, March 26, 2012, June 25, 2012, June 21, 2013 and January 27, 2015 and therefore should remain closed to the public.

“BE IT FURTHER RESOLVED that the Committee approves the destruction of the verbatim records of the December 3, 2020, April 15, 2021, June 17, 2021, and September 17, 2021, closed session meeting as at least 18 months has transpired since the completion of those meetings.
