Mr. Zarnikow explained the Open Meetings Act provision regarding review of closed minutes and the destruction of verbatim records. Mr. Zarnikow also reminded the Audit Committee that any action would have to be taken back in open session.

Mr. Zarnikow stated ISAC's General Counsel reviews the closed minutes every 6-months and makes a redetermination of the confidentiality of closed minutes and that the General Counsel has made the determination that the minutes of the following closed meetings are confidential and should remain closed: March 26, 2012 and June 21, 2013 meetings.

The General Counsel has also determined that the minutes of the closed meeting of June 25, 2012, no longer need confidential treatment and recommends that they be opened to the public.

Also discussed was the destruction of the verbatim records of the September 22, 2022 and December 8, 2022 closed session as at least 18 months has transpired since the completion of those meetings. They were previously approved by the Audit Committee and opened to the public.
