Section 5376.202 Records that Will Be Withheld from Disclosure

When a request is made to inspect or copy a record that contains information that is otherwise exempt from disclosure under this Section, but also contains information that is not exempt from disclosure, the Agency shall make the remaining information available for inspection and copying. (Section 7(1) of FOIA)

- a) *Subject to this requirement and Section 7 of FOIA, the following shall be exempt from inspection and copying:*
 - 1) *Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing federal or State law; (Section 7(1)(a) of FOIA)*

- 3) *Files, documents, and other data or databases maintained by one or more law enforcement agencies and specifically designed to provide information to one or more law enforcement agencies regarding the physical or mental status of one or more individual subjects; (Section 7(1)(b-5) of FOIA)*

"Unwarranted invasion of personal privacy" means the disclosure of information that is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information. The disclosure of information that bears on the public duties of public employees and officials shall not be considered an invasion of personal privacy; (Section 7(1)(c) of FOIA)*
- 5) *Records in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes, but only to the extent that disclosure would:*

- 6) *Records that relate to or affect the security of correctional institutions and detention facilities; (Section 7(1)(e) of FOIA)*

- 8) *Trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested. All trade secrets and commercial or financial information obtained by a public body, including a public pension fund, from a private equity fund or a privately held company within the investment portfolio of a private equity fund as a result of either investing or evaluating a potential investment of public funds in a private equity fund. The exemption contained in this subsection (a)(8) does not apply to the aggregate financial performance information of a private equity fund, nor to the identity of the fund's managers or general partners. The exemption contained in this subsection (a)(8) does not apply to the identity of a privately held company within the investment portfolio of a private equity fund, unless the disclosure of the identity of a privately held company may cause competitive harm. Nothing in this subsection (a)(8) shall be construed to prevent a person or business from consenting to disclosure; (Section 7(1)(g) of FOIA)*

- 9) *Proposals and bids for any contract, grant, or agreement, including information that if it were disclosed would frustrate procurement or give an advantage to any person proposing to enter into a contract or agreement with the body, until an award or final selection is made. Information prepared by or for the body in preparation of a bid solicitation shall be exempt until an award or final selection is made; (Section 7(1)(h) of FOIA)*
- 10) *Valuable formulae, computer geographic systems, designs, drawings and research data obtained or produced by the Agency when disclosure could reasonably be expected to produce private gain or public loss. The exemption for "computer geographic systems" provided in this subsection (a)(10) does not extend to requests made by news media as defined in Section 5376.102 when the requested information is not otherwise exempt and the only purpose of the request is to access and disseminate information regarding the health, safety, welfare or legal rights of the general public; (Section 7(1)(i) of FOIA)*
- 11) *The following information pertaining to educational matters:*

 - D) *Course materials or research materials used by faculty members; (Section 7(1)(j) of FOIA)*
- 12) *Architects' plans and engineers' technical submissions, and other construction related technical documents for projects not constructed or developed in whole or in part with public funds and for projects constructed or developed with public funds, including but not limited to power generating and distribution stations and other transmission and distribution facilities, water treatment facilities, airport facilities, sport stadiums, convention centers, and all government owned, operated, or occupied buildings, but only to the extent that disclosure would compromise security; (Section 7(1)(k) of FOIA)*

- 13) *Minutes of meetings of public bodies closed to the public as provided in the Open Meetings Act [5 ILCS 120] until the public body makes the minutes available to the public under Section 2.06 of the Open Meetings Act; (Section 7(1)(l) of FOIA)*
- 14) *Communications between the Agency and an attorney or auditor representing the Agency that would not be subject to discovery in litigation, and materials prepared or compiled by or for the Agency in anticipation of a criminal, civil or administrative proceeding upon the request of an attorney advising the Agency, and materials prepared or compiled with respect to internal audits of the Agency; (Section 7(1)(m) of FOIA)*
- 15) *Records relating to the Agency's adjudication of employee grievances or disciplinary cases; however, this exemption shall not extend to the final outcome of cases in which discipline is imposed; (Section 7(1)(n) of FOIA)*
- 16) *Administrative or technical information associated with automated data processing operations, including but not limited to software, operating protocols, computer program abstracts, file layouts, source listings, object modules, load modules, user guides, documentation pertaining to all logical and physical design of computerized systems, employee manuals, and any other information that, if disclosed, would jeopardize the security of the system or its data or the security of materials exempt under this Section; (Section 7(1)(o) of FOIA)*

- 20) *Any and all proprietary information and records related to the operation of an intergovernmental risk management association or self-insurance pool or jointly self-administered health and accident cooperative or pool. Insurance or self-insurance (including any intergovernmental risk management association or self-insurance pool) claims, loss or risk management information, records, data, advice or communications; (Section 7(1)(s) of FOIA)*
- 21) *Information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of a public body responsible for the regulation or supervision of financial institutions or insurance companies, unless disclosure is otherwise required by State law; (Section 7(1)(t) of FOIA)*
- 22) *Information that would disclose or might lead to the disclosure of secret or confidential information, codes, algorithms, programs or private keys intended to be used to create electronic or digital signatures under the Electronic Commerce Security Act [5 ILCS 175]; (Section 7(1)(u) of FOIA)*
- 23) *Vulnerability assessments, security measures, and response policies or plans that are designed to identify, prevent, or respond to potential attacks upon a community's population or systems, facilities, or installations, the destruction or contamination of which would constitute a clear and present danger to the health or safety of the community, but only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of the personnel who implement them or the public. Information exempt under this subsection (a)(23) may include such things as details pertaining to the mobilization or deployment of personnel or equipment, to the operation of communication systems or protocols, or to tactical operations; (Section 7(1)(v) of FOIA)*

SUBPART D: AGENCY RESPONSE TO REQUESTS FOR RECORDS

Section 5376.401 Timeline for Agency Response

- a) *Except as stated in subsection (b) or (c), the Agency will respond to any written request for records within 5 business days after its receipt of the request. Failure to comply with a written request, extend the time for response, or deny a request within 5 business days after its receipt shall be considered a denial of the request. If the Agency fails to respond to a request within the requisite periods in this subsection (a) but thereafter provides the requester with copies of the requested records, it will not impose a fee for such copies. If the Agency fails to respond to a request received, it will not treat the request as unduly burdensome as provided under Section 5376.402. (Section 3(d) of FOIA) A written request from the Agency to provide additional information shall be considered a response to the FOIA request.*
- b) *The time limits prescribed in subsection (a) may be extended for not more than 5 business days from the original due date for any of the following reasons:*
 - 1) *The requested records are stored in whole or in part at locations other than the office having charge of the requested records;*
 - 2) *The request requires the collection of a substantial number of specified records;*

- 3) *The request is couched in categorical terms and requires an extensive search for the records responsive to it;*
 - 4) *The requested records have not been located in the course of routine search and additional efforts are being made to locate them;*
 - 5) *The requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under Section 7 or 7.5 of FOIA or should be revealed only with appropriate deletions;*
 - 6) *The request for records cannot be complied with by the Agency within the time limits prescribed by subsection (a) without unduly burdening or interfering with the operations of the Agency; or*
 - 7) *There is a need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of a public body having a substantial interest in the determination or in the subject matter of the request. (Section 3(e) of FOIA)*
- c) *The person making a request and the Agency may agree in writing to extend the time for compliance for a period to be determined by the parties. If the requester and the Agency agree to extend the period for compliance, a failure by the Agency to comply with any previous deadlines shall not be treated as a denial of the request for the records. (Section 3(e) of FOIA)*
 - d) *When additional time is required for any of the reasons set forth in subsection (b), the Agency will, within 5 business days after receipt of the request, notify the person making the request of the reasons for the extension and the date by which the response will be forthcoming. Failure to respond within the time permitted for extension shall be considered a denial of the request. If the Agency fails to respond to a request within the time permitted for extension but thereafter provides the requester with copies of the requested public records, it may not impose a fee for those copies. If the Agency issues an extension and subsequently fails to respond to the request, it will not treat the request as unduly burdensome under Section 5376.402. (Section 3(f) of FOIA)*

Section 5376.402 Requests for Records that the Agency Considers Unduly Burdensome

- a) *The Agency will fulfill requests calling for all records falling within a category unless compliance with the request would unduly burden the Agency, there is no way to narrow the request, and the burden on the Agency outweighs the public*

interest in the information. Before invoking this exemption, the Agency will extend to the requester an opportunity to confer with it in an attempt to reduce the request to manageable proportions. (Section 3(g) of FOIA) The amended request must be in writing.

- b) If the Agency determines that a request is unduly burdensome, *it shall do so in writing, specifying the reasons why it would be unduly burdensome and the extent to which compliance will so burden the operations of the Agency. Such a response shall be treated as a denial of the request for information.* (Section 3(g) of FOIA)
- c) *Repeated requests for records that are unchanged or identical to records previously provided or properly denied under this Part from the same person shall be deemed unduly burdensome.* (Section 3(g) of FOIA)

Section 5376.403 Requests for Records that Require Electronic Retrieval

- a) A request for records that requires electronic retrieval will be treated the same as any other request for records, with the same timeline and extensions as allowed for other records.
- c) The Agency will retrieve and provide electronic records only in a format and medium that is available to the Agency.

Section 5376.404 Denials of Requests for Records

- a) The Agency will deny requests for records when:
 - 1) Compliance with the request would unduly burden the Agency, as determined pursuant to Section 5376.402, and the requester has not reduced the request to manageable proportions; or
 - 2) The records are exempt from disclosure pursuant to Section 7 or 7.5 of FOIA or Section 5376.202 or 5376.203 of this Part.
- b) The denial of a request for records must be in writing.
 - 1) The notification shall include a description of the records denied; *the reason for the denial, including a detailed factual basis for the application of any exemption claimed; and the names and titles or positions of each person responsible for the denial* (Section 9(a) of FOIA);

- 2) *Each notice of denial shall also inform such person of the right to review by the Public Access Counselor and provide the address and phone number for the Public Access Counselor (Section 9(a) of FOIA); and*
- 3) *When a request for records is denied on the grounds that the records are exempt under Section 7 or Section 7.5 of FOIA, the notice of denial shall specify the exemption claimed to authorize the denial and the specific reasons for the denial, including a detailed factual basis and a citation to the supporting legal authority (Section 9(b) of FOIA).*
- c) A requester may treat the Agency's failure to respond to a request for records within 5 business days after receipt of the written request as a denial for purposes of the right to review by the Public Access Counselor.
- d) If the Agency has given written notice pursuant to Section 5376.401(d), failure to respond to a written request within the time permitted for extension may be treated as a denial for purposes of the right to review by the Public Access Counselor.
- d) *Any person making a request for records shall be deemed to have exhausted his or her administrative remedies with respect to that request if the Agency fails to act within the time periods provided in Section 5376.401. (Section 9(c) of FOIA)*

Section 5376.405 Requests for Review of Denials - Public Access Counselor

- a) *A person whose request to inspect or copy a record is denied by the Agency may file a request for review with the Public Access Counselor established in the Office of the Attorney General not later than 60 days after the date of the final denial. (Section 9.5(a) of FOIA)*
- b) *If the Agency asserts that the records are exempt under Section 5376.202(a)(4) or (a)(7), it will, within the time periods provided for responding to a request, provide written notice to the requester and the Public Access Counselor of its intent to deny the request in whole or in part. The notice will include:*
 - 1) *A copy of the request for access to records;*
 - 2) *The proposed response from the Agency; and*
 - 3) *A detailed summary of the Agency's basis for asserting the exemption. (Section 9.5(b) of FOIA)*

- c) *Upon receipt of a notice of intent to deny from the Agency, the Public Access Counselor shall determine whether further inquiry is warranted. The Public Access Counselor shall process the notification of intent to deny as detailed in Section 9.5(b) of FOIA. Times for response or compliance by the Agency under Section 5376.401 will be tolled until the Public Access Counselor concludes his or her inquiry. (Section 9.5(b) of FOIA)*
- d) *Within 7 working days after the Agency receives a request for review from the Public Access Counselor, the Agency shall provide copies of records requested and shall otherwise fully cooperate with the Public Access Counselor. (Section 9.5(c) of FOIA)*
- e) *Within 7 working days after it receives a copy of a request for review and request for production of records from the Public Access Counselor, the Agency may, but is not required to, answer the allegations of the request for review. The answer may take the form of a letter, brief, or memorandum. The Public Access Counselor shall forward a copy of the answer to the person submitting the request for review, with any alleged confidential information to which the request pertains redacted from the copy. (Section 9.5(d) of FOIA)*

 - 2) *Whether the principal purpose of the request is personal or commercial benefit.
