NURSING EDUCATION SCHOLARSHIPS NOTICE OF INELIGIBILITY

This letter is to inform you that the Illinois Student Assistance Commission (ISAC) has determined you are not eligible to receive a [Academic Year] Nursing Education Scholarship award. This determination is based on information provided on your application/work agreement/promissory note and/or by the college below.

College Attending: [College reported on your application]

Reason for Ineligibility:

[Ineligibility reasons listed here]

This notification replaces any previous ISAC correspondence regarding your eligibility for the [Academic Year] academic year.

Important Information:

- It is your responsibility to report any changes or corrections that might impact your eligibility status to your college. Certification of your eligibility must be submitted to ISAC directly from the college. A change in eligibility status does not guarantee that you will receive an award.
- If the above-named college is not the college you will attend, you must submit a request to ISAC to change your college choice. If this change would impact your eligibility status, ISAC will contact the new college for updated certification information.
- You must immediately notify ISAC, in writing, of any changes to your permanent address, phone number, email address so that we have your most up-to-date contact information in the system. Also notify ISAC if you no longer want to be considered for this scholarship opportunity.
- If, after working with your college to process any corrections, you wish to appeal this decision, you must submit a written appeal to ISAC within 60 days of the date of this letter. Refer to the enclosed "ISAC Appeal Procedures" for further information about this process.

All ISAC scholarships are limited based on the number of eligible applicants and funding availability. Therefore, you are encouraged to continue seeking additional financial aid resources to fund your educational expenses. ISAC administers other scholarship and grant programs that provide financial assistance to help you pay for college. To learn more about the financial aid process and other available programs, visit our website at isac.org. You may also communicate directly with an ISAC Student Engagement Representative via telephone at 800.899.ISAC (4722) or e-mail us at isac.studentservices@illinois.gov.
