

ISAC's Illinois Graduate and Retain Our Workforce (iGrow) Tech Scholarship Program

User Guide

Access and Navigation

The system to administer the Illinois Graduate and Retain Our Workforce (iGrow) Tech Scholarship Program is available through ISAC's Gift Assistance Programs (GAP) Access portal at <https://isacportal.isac.org>.

All users need a valid GAP Access ID and password, along with a 2-factor authentication one-time verification code to access the system.

ISAC relies on a designated Primary Administrator (usually, the Financial Aid Director) at each institution to authorize users and provide them with the appropriate level of access for each ISAC program.

Once a school user has successfully logged in to GAP Access, the iGrow information can be accessed by selecting the MTI program near the top of the screen.

The screenshot displays the ISAC iGrow system interface. At the top, there is a navigation bar with 'Administration', 'School', and 'Programs' tabs. Below this, the 'IGROW' title is visible. A secondary navigation bar contains 'Home', 'Student', and 'Certification' links, with 'Home' highlighted. A welcome message reads: 'Welcome to the Internet application for processing the Illinois Graduate and Retain Our Workforce (iGrow) Program.' Below the message is an 'Academic Year' dropdown menu set to '2024-2025'. At the bottom, a footer contains links for 'Contact ISAC', 'FAAs', 'MAP Program', 'MTI Program', 'ING Program', and 'IVG Program'. An inset image on the right shows a 'GAP ACCESS' login screen with a 'User Login: Success' message and a list of programs: MAP, ING, IVG, MTI, GA, State Scholar Program, FAFSA Initiative, FAFSA Student Record Upload, SETTW, ECACE, SWSP, NESP, IGROW (highlighted with a red box), and HSPLRP.

Please note that the GAP Access system will time out after prolonged inactivity. The following message will appear to allow you to save your data.

Warning! Due to inactivity, your session has expired. Please save any data you may have entered before refreshing the page.

iGrow Student List Eligibility: View Screen

Once you have navigated to the iGrow Program in GAP Access, you can view the list of students who have submitted an iGrow application to ISAC and listed your school as the college the applicant plans to attend. The list will initially appear in alphabetical order; however, you may use the **Filter, Sort and Columns** functionality to customize your view as needed.

In addition to the applicant data, the **Student List Eligibility: View** screen includes the application complete date, application status, and icons to indicate eligibility issues.

Applicants with eligibility or conflict issues will be identified by icons in the list, and more information can be obtained on the applicant's **Student Detail** screen by selecting the **magnifying icon**  in first column of the student record.

A **yellow lightbulb**  is an indicator of student eligibility issues, and a **red triangle**  is an indicator of a conflict issue.

List **Reset**

Once you have selected your criteria from the drop-down menus and/or selected the category options on the right side of the screen, select the **List** tab to generate your customized view.

A **Reset** tab is also available to clear multiple selections with one click.

iGrow Student Eligibility List: Sort Screen

The **Student Eligibility List: Sort** screen provides you with several options for sorting the student list. This screen is accessed by selecting the **Sort** tab.

To sort your list, check the box next to the the data element(s) you would like to sort by, then select the **Add** arrow to add them to the **Selected** list. 

Use the **Move Up** arrow  to put the data elements in the order in which to sort.

You can also drag and drop your selection(s) into the **Selected** or **Unselected** column.

iGROW Certification List: View Screen

A Certification record is created in the Illinois Graduate and Retain our Workforce (iGROW) Tech Scholarship Program system when the [iGROW Tech application process](#) has been completed [this includes both the iGROW Tech Application/Work Agreement/Promissory Note and the corresponding year's Free Application for Federal Student Aid (FAFSA®) or, if applicable, the Alternative Application for Illinois Financial Aid]. The college then selects "Certification" from the ribbon at the top of the screen to display the Certification List: View screen. Colleges can enter certification data and indicate whether the applicant is eligible or ineligible, then save and submit their entry to ISAC.

Only records that need to be certified display on the Certification List: View screen. The Filter and/or Sort functions can be applied to the Certification List: View screen to customize how information is displayed, similar to all other gift assistance programs that are processed via systems within the GAP Access portal. Once certified – whether as eligible or ineligible – the applicant status information will be updated on the Student List Eligibility: View screen.

A complete application and a complete and eligible Certification record are required for consideration for an award. Eligible applicants will be awarded based on whether their application was received before or after the priority consideration date (November 30, 2024 for the 2024-25 awarding cycle). Renewal applicants receive priority consideration.

All Certifications available in the iGROW system must be completed regardless of whether the school certifies a student as eligible or ineligible. The only way an applicant will be notified by ISAC regarding their award status is if the Certification is submitted.

iGrow Certification Data Screen

To complete a certification record for an applicant, navigate to the **Certification List: View** screen and click on an individual student's name or SSN to open up a **Certification Data** screen for the student. Enter the required data and then click on the **Save/Submit** button to complete the certification process for that student record. The **Save/Submit** button will not be enabled until data has been provided for ALL required fields. Or, to exit without saving and submitting, click on the **Close** button.

Once the **Certification Data** screen has been opened up for an individual student record, the certification process can be completed by entering the appropriate data.

In the first data field, you must indicate if the student is eligible by selecting 'Yes' or 'No'.

The answer to this question will determine the other data elements that must be completed on the screen to complete the Certification process. Required data fields will be outlined in red.

If the answer is 'No', the required field you must complete is the **Ineligible Reason** by selecting the most appropriate answer from the drop-down menu.

After providing data elements for the required field(s), click on the **Save/Submit** button to complete the process.

Once you've saved the data, the student's certification is complete, and the student will no longer appear on the **Certification List: View** screen.

The screenshot shows the 'Certification Details' form. The 'Eligible' field is a dropdown menu with a red box around it. The 'Academic Level' field is a dropdown menu with the text '--Select Academic Level--'. The 'Program of Study' field is a dropdown menu with the text '--Select Program of Study--'. The 'Anticipated Graduation Date (Month and Year, must be future):' field is a text input. The 'SAI from most recent valid ISIR:' field is a text input. The 'Student's GPA:' field is a text input. The 'Ineligible Reason:' field is a dropdown menu with the text '--Select Ineligible Reason--' and a red box around it. A red arrow points from the 'Ineligible Reason' dropdown to a list of reasons. The 'Save/Submit' button is highlighted with a red box. The 'Close' button is also visible.

--Select Ineligible Reason--	
Not a US citizen/eligible non-citizen student	
Non-Resident	
Not an HS grad/recipient of HS diploma	
GPA less than 2.50	
Graduate student	
No qualifying degree	
Not at qualifying institution	
Not making satisfactory academic progress	
No remaining unmet cost	
Not accepting iGROW Tech Scholarship	
Defaulted student loan	
Not enrolled	
Enrolled less than half-time	
No qualifying degree	

iGrow Student Certification Data Screen

If 'Yes' is selected for the **Eligible** field, you must provide the following:

- **Academic Level** - Provide the student's academic level for the upcoming award year
- **Program of Study** (*Drop-down Menu*)
 - Computer Information Sciences
 - Information Technology
 - Information Science
 - Computer Science
 - Computer Systems Networking Telecommunications
 - CIS Security or Information Assurance
 - Management IS
- **Anticipated Graduation Date** (*MM/YYYY – must be in future*)
- **SAI from most recent valid ISIR** (*Enter Value from 0 [Zero] through 999999*)
- **Student GPA**

The screenshot displays the 'Certification Details' form. The 'Eligible' field is a dropdown menu. The 'Academic Level' field is a dropdown menu with a red box around it. The 'Program of Study' field is a dropdown menu with a red box around it. The 'Anticipated Graduation Date (Month and Year, must be future):' field is a text input field with a red box around it. The 'SAI from most recent valid ISIR:' field is a text input field with a red box around it. The 'Student's GPA:' field is a text input field with a red box around it. The 'Ineligible Reason:' field is a dropdown menu. The 'Save/Submit' button is highlighted with a red box. Two dropdown menus are open: one for 'Academic Level' showing options: Freshman, Sophomore, Junior, Senior; and one for 'Program of Study' showing options: Computer Information Sciences, Information Technology, Information Science, Computer Science, Computer Systems Networking and Telecommunications, CIS Security or Information Assurance, Management IS. Red arrows point from the 'Academic Level' dropdown to the 'Program of Study' dropdown.

After you've made your entry selections, the information boxes will remain outlined in red until you have saved the information entered on the page, which is done by clicking on the **Save/Submit** button at the bottom of the page. Once you have saved your entries, they are considered submitted and certification is complete.
